What constitutes equipped and unequipped lifting? (from Neil Thomas)

This question is often raised and best answered quickly and simply. The use of any kind of supportive clothing and or the use of knee wraps means the lifter is equipped. Wrist wraps and appropriate belt are allowed to be used and DO NOT make the lifter equipped.

Qualification for the Internationals.

Only lifters who have qualified via the National Championships are eligible to lift at International events. You must qualify in the top 3 of your age and weight class to receive an invite from the Championship secretary. The 10% rule applies ONLY to qualification to the National Events not Internationals. Lifters from Scotland and Wales may receive guest invites via their National Representative and in consultation with the Championship secretary.

BDFPA Coaching Award (from Chris Morgan)

The BDFPA National Council recently agreed my proposal to merge the current BDFPA Coaching Qualifications into one up to date 'BDFPA Coaching Award'.

Work is now continuing on the new syllabus and learning materials and it is anticipated that the first of these courses will be available before the end of 2011. The new course will contain team building exercises, group discussions and presentations all useful to candidates wishing to enhance their coaching skills. Candidates will be required to take a multiple choice exam, which if successful will mean them being awarded the 'BDFPA Coaching Award' and then being listed as a BDFPA Coach on our website.

Anyone interested in taking the new BDFPA Coaching Course should email their name and address to me, so further details can be forwarded to them when they are available.

Referees who were recently upgraded

At the British Single event in Ipswich, 19th/20th February Pat Reeves was upgraded from Divisional to National status.

At the British Full-power event in Bournemouth..... Louise Whatton, Alistair Cannings and Pat Reeves were upgraded to International status.

Pete Gaskin, Seb Madronal, Paul Rutherford, Jules Vowles, Russell Jolley, Steve Tyers and Adam Elkins were upgraded from Divisional to National status. Well done to you all!

West Midlands Division recently held a refereeing clinic/exam which produced six new Divisional referees! On behalf of BDFPA, I wholeheartedly welcome them and trust they will officiate at local events and future National/International competitions for further upgrading:

A warm welcome to –

Raymond Allison, Liam Allison, Dean Allison, Andy Haynes, Josh Merrett and Roy Garner.

Please note our dress code for referees should be adhered to when officiating at any event.

At the next AGM, The West Midlands Division will be proposing an annual clinic/refresher course to avoid referees having their status annulled, if remaining inactive for more than twelve months.

2011 AGM

I have ‘twisted someone’s arm’ and arranged this at low cost to include facilities for hot drinks, etc – The West Midlands Division will happily provide refreshments, etc. – This will be on Sunday, October 9th, 2011 at Fairfield Village Hall, Fairfield, nr Bromsgrove, B61 9LZ – a short distance from Junction 4 off M5 – Neil Thomas asked me to arrange the AGM in West Midlands – hopefully I have located something suitable for all NC’s and members wishing to express interest etc. YOUR INPUT AT THE AGM – THE FIRST HEADED BY OUR NEW PRESIDENT NEIL THOMAS, IS MOST WELCOME TO MAINTAIN THE INTEGRITY AND PROGRESSION OF OUR GREAT ASSOCIATION. IF YOU HAVE VIABLE IDEAS/SUGGESTIONS FOR ANY FURTHER ADVANCEMENT – PLEASE MAKE THESE KNOWN ON 9th OCTOBER! I have booked a large room.....all members welcome!

Further information requiring final details of notification of everyone intending to be present will be highlighted either by our message-board or in next BDFPA’s Newsletter.

Great influx of members this year! – Manon Bradley informs of a hundred-plus new input during first three months of 2011 – FANTASTIC!

Important information from our technical secretary – Andy Davies

UNDERWEAR

At the British Unequipped Championships in Bournemouth held over 19-20th March, Andy Davies announced that the following changes would apply to under garments for male lifters:

ONLY COTTON BRIEFS MAY BE WORN UNDER LEOTARDS OR SUPERSUITS.
ABSOLUTELY NO EXCEPTIONS!

THIS RULING WILL TAKE EFFECT FROM THE EUROPEAN EVENT IN BOURNEMOUTH IN MAY AND ALL FOLLOWING COMPETITIONS.

! PLEASE DO NOT LOSE YOUR LIFT BECAUSE OF NON-COMPLIANCE!

LEOTARD LEG LENGTH:

As from May, BDFPA will be ENFORCING current WDFPA ruling on 15 cm maximum from crotch to bottom of leg of leotards/super-suits worn at National/International events. If you have been lifting in a leotard that exceeds this measurement – you may cut and hem to required 15 cm, but NOT simply fold the excess! In effect ,as above.

NO EXCEPTIONS!

REFEREE EXAMINATIONS

Anyone wishing to become a referee will now have to attend a clinic and examination in local area – please contact your nearest technical officer. Please locate either Steve McQuade in Scotland – tele 07748117799, Andy Davies in North West – tele 01704 233279, Gren Elmore in West Midlands – tele 0121 357 4854, Mike Davies in East Midlands – tele 07205366569, Andrew Cominos in South West – tele -01637 860908, Paul Rees in Southern Counties – tele 01202 770394, Steve Maden – South East and Armed Forces – tele 07968805650, Neil or Ann Thomas in East Counties – tele – 01394 421448.

Upgrading of referees will only take place at National or International competitions. Please declare your intention to attend and be mentored.

Neil Thomas asked me to produce a minimal/punchy input for first Newsletter by end of March 2011. Though this initial input is microscopic when compared to previous ‘RAW POWER’ - so brilliantly edited by my predecessor Sharon Norton, hopefully as time permits, the new BDFPA Newsletter will take on a similar status.

It simply remains for me now to wish all members the very best in lifting via healthful and natural strategies to ensure your future success.
