*In 1999 when unequipped and equipped categories were introduced the WDFPF considered the full power equipped and unequipped records. It was decided that since the previous World Records in the Bench Press were set in accordance to the Unequipped Division rules, all of the WDFPF Bench Press World Records would carry over into the UNEQUIPPED Division records. To that end - the WDFPF bench press records as at 1998, were (1) LEFT IN THE EQUIPPED DIVISION (marked on the lists with an * to indicate that they were done without a bench shirt, as per pre-1998 rules (2) ALSO CARRIED OVER INTO THE UNEQUIPPED DIVISION (marked on the lists with an * to indicate that they were done pre-1998 before the new categories came into being).

**Where records have no date or proof of competition the record marked ** to indicate the record is unverified but historical.
