Report from Eric West on the South East Divisional

Competition went well after a poor start to the day, of 28 lifters entered, 1 dropped out and refereed the other 8 did not turn up or even phone to let me know. Four of them lifting as guests apparently got lost and ended up at Sudbury, must be dyslexic, naturally I would not accommodate these lifters in any future event that I promote, fortunately 2 lifters arrived on the off chance and competed. Lifting got off to a good start and ran smoothly throughout the day, thanks to some extent to Peter Bedford who as a referee also acted as platform manager with only one misload all day, it just happened to be my deadlift of 160kg somehow became 225kg, but I forgive him.

Unequipped, 1st J P Uldemollins with a total of 572.5kg, 347pts, 2nd Paul Golding 512.5kg, 326pts, 3rd Paul Rogerson 397.5kg, 310pts.

Equipped, 1st Jules Vowles with a total of 695kg, 388pts, 2nd Rick Meldon 615kg, 380pts, 3rd Chris Morgan 502.5kg, 334pts.

Matt Saunders lifted as a guest giving a spectator pleasing performance of 280kg-210kg-310kg

Well done all the other lifters and thank you for competing in the S E Champs.

With many thanks and gratitude to all the loaders/spotters, referees Pete, Rob and Tom without the likes of whom, there would not have been a contest.
